- Tuition: 2 day programs: \$250/month; 3 day programs: \$350/month; 5 day programs: \$500/month. All programs incur a \$50 per year registration fee.
- School Closures Policy Mighty Kids will follow the Northshore School District's lead for school closures due to weather or security. If Northshore SD is closed or late start, there is no school.
- Payment Policy: Payments may be made in the form of check made out to Mighty Kids Preschool or in person through square or online invoicing through square. Late payments will incur a late fee of \$20 and a payment more than 30 days late may result in cancellation of preschool services.
- Sick Kid policy If your child has any of the following please keep them home from school: Vomiting or Diarrhea in the last 24 hours, has been on antibiotics for a contagious infection for less than 24 hours or has a contagious infection such as pink eye, pneumonia etc that may be passed to the rest of class. We understand that runny noses and the like happen and are not worried about them as long as the child is well enough to participate in the daily activities and can use tissues properly to contain their bodily fluids.
- Vaccination policy Parents must bring in their child's vaccination records by the first day of class or an adequate exemption form must be provided. Exemptions will be evaluated on a case-by-case basis.
- Discipline policy If a child is behaving in a way that is blatantly disrespectful or violent to the staff, property or other students the child will be given one warning. If the behavior continues, the child may be asked to sit out from classroom activities until they can treat others with respect. If the child's behavior becomes so disruptive or hurtful that class is severely impacted for a significant period of time, a parent may be called to pick up the child.
- Snack Rotation Children absolutely love feeling as if they are contributing to the running of the class so we rotate children's snack days. We will put out a calendar to sign your child up one time per month to bring a nutritious snack. On this day, the child will also be allowed to bring in a special possession to share with the class.

- Spotlight Student One child a week will be randomly selected to be the spotlight student. This is your child's chance to share with the class what makes them tick, about their family and about their home. Children light up when given the opportunity to share all about themselves and this is their first introduction to public speaking. Look for a poster-board to come home with your child with instructions on filling it up with pictures and drawings of all of the things that makes them unique.
- Bathroom Policy We ask that all students be reasonably potty trained and self sufficient in the restroom at the time of registration. We understand that accidents happen so we ask that a spare outfit be kept in the child's backpack if they are recently potty trained. Staff will only assist children with bathroom needs if absolutely necessary as we would rather give the child privacy in this area. We will help with hand washing as needed.
- Check-in/Out Policy Please check your child in with us at drop off each class day no sooner than 8:50am. Pick up/check out must be done by a parent/guardian or someone listed as an emergency contact for the child. We want to keep the kiddos as safe as possible as I'm sure you understand. If someone who is not on the contact list comes to pick up the child without us knowing in advance, we will contact the parent and ask if the person has permission to pick up the child.
- School Closure dates for 2019-2020 school year will be announced when Northshore School District releases their calendar.
